

Friends of the Hart County Library, Inc

We invite you to become a member of *Friends of the Hart County Library, Inc*. Your dues and contributions help us to provide financial support to supplement the *Hart County Library's* budget. Your support helps us to assist the library by purchasing books, periodicals and other library materials. We also support the *Books for Babies* program as well as providing reading materials for area nursing home residents.

Our annual meeting was held on Nov. 10, 2005. The following officers were elected: Gail Anne Gold, president; Carol Fenn, vice president; Rita Quinn, secretary and Peggy Sinram, treasurer.

Meetings are held on the second Thursday of each month. Please consult the Hartwell Sun and/or the Anderson Independent Mail for time and place.

In addition to your financial support we would like you to consider becoming an active volunteer. If you have a few hours a week, or even a few hours a month, we need your help.

Special Help Needed

Newsletter Editor - We would like to put together a quarterly newsletter. Do you have experience? Would you like to help us?

Experienced Fund Raisers - We need to raise funds more than ever this year to get our Library back up and running to full capacity.

Please fill out, detach and return the form below. Thank you for your continued support.
